

Montgomery Biscuits Booster Club

The Montgomery Biscuits Booster Club is an exuberant group of fans dedicated to enhancing the experience of the players while they are in Montgomery. We assist the team and individual players through activities and involvement with Biscuits baseball. We strive to make each and every player, coach, and trainer feel welcome and comfortable in our city.

To plan and coordinate volunteer services, the Boosters typically meet several times a year prior to the season beginning. Meetings generally include interesting speakers who share information on a variety of topics, always centered around helping players.

Dues are \$15 for an Individual Membership and \$20 for a Family Membership. A Family Membership is available for one or more adults living in the same household and children under the age of 21 living in the same household. Dues are renewable in January and cover the entire season. To join, complete this brochure and return it to a Booster Club member with your cash or check, or mail it to:
